

Block 14 Continued:

The purpose of this modification is to incorporate OCONUS rates under the BPA as shown below:

1. Section 1.4 Labor Rates, is updated to incorporate the OCONUS rates proposed by A-T Solutions in an Excel attachment.
2. Changes pursuant to this modification are indicated by vertical lines in the right hand margin on change pages cover page and 1-7 of the updated BPA.
3. **All other terms and conditions remain unchanged.**

SUMMARY OF COST IMPACT OF ABOVE CHANGES

- The total estimated value of the BPA remains unchanged at \$408,000,000.00.
